Dear Kelcey,

Enclosed are two corrected RCRA 3012 project forms that should have been submitted to you much earlier. They had been accidentally filed to the completed files without you receiving copies. Sorry for the delay.

The forms are: Preliminary Assessment on LA03263 - Exxon USA, Maryland Tank Farm and Site Inspection on LA01317 - Delta Shipyard.

If you have any questions, please call on me for assistance.

Sincerely,

A handwritten signature in cursive script, appearing to read "Rob".
